Appl. No. 10/710,175  
Amdt. dated July 11, 2006  
Reply to Office action of April 11, 2006

Claims 14 – 17, 20 – 21, 25 and 28 - 29 were rejected under 35 U.S.C. 103(a) as being unpatentable over Kameya.

5 Response

Claim 14 is amended to include limitations of claim 22. As stated in the section 'Allowable Subject Matter', claim 22 is objected to as being dependent upon rejected base claims, but would be allowable if rewritten in independent form to include  
10 limitations of the respective base claims. Therefore, applicants believe claim 14 has been placed in condition for allowance. Claims 15-17, 20-21, and 23-24 are dependent upon claim 14, and should be allowed if claim 14 is found allowable.

Claim 25 is amended to include limitations of claim 30. As stated in the section  
15 'Allowable Subject Matter', claim 30 is objected to as being dependent upon rejected base claims, but would be allowable if rewritten in independent form to include limitations of the respective base claims. Therefore, applicants believe claim 25 has been placed in condition for allowance. Claims 28-29 and 31-32 are dependent upon claim 25, and should be allowed if claim 14 is found allowable.

#### 6. New claims

5        Claims 37 – 43 are dependent on claim 33. As claim 33 is found allowable by the examiner then new claims 37 – 43 should also be found allowable.

      Claims 44 – 50 are dependent on claim 34. As claim 34 is found allowable by the examiner then new claims 44 – 50 should also be found allowable.

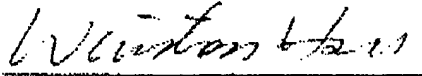

10       Claim 51 is dependent on claim 35. As claim 35 is found allowable by the examiner then new claim 51 should also be found allowable.

      Claim 52 is dependent on claim 36. As claim 36 was found allowable by the examiner then new claim 52 should also be found allowable.

15       Applicants respectfully request that a timely Notice of Allowance be issued in this case.
